E-mail: abbey@suscopts.org

Family Retreat Permission Letter

A permission letter is required from every family that would like to take the blessing of staying overnight at the Abbey. Registration **will not** be complete except if you have a permission letter from the Confessor Father, submitted by fax to the Abbey, in the same day you register online; otherwise, the registration will be denied. Once your Confessor Father submits the permission letter and you fill out the online registration application, you will receive a "Registration Complete" e-mail from the Abbey within three (3) days from your online registration date. If your application is denied, you will be notified through e-mail. The Abbey reserves the right to deny any application without explaining the reasons.

Names of Family Members: _____

Church: _____ City, State: _____
